The meeting was attended by Principal, Dr. Rajwinder Kaur, Dr. Gagandeep Kaur (Coordinator), Dr. Parmvir Singh (Co-coordinator) and Members of IQAC; Dr. Rajni Khunger, Dr. Harsangeet Kaur, Mr. Ajaydeep, Ms. Sunaina to discuss the following agenda:

Agenda:

1. Online Personal Contact Programme for B.Ed. (Sem.-III)
2. Online House Examination for B.Ed. and M.Ed. (Sem. -III)
3. Online Poster Making Competition in the Memory of Shri Guru Teg Bahadur Ji
4. Webinar on Career Counselling

Plan of Action:

1. The personal contact programme of B.Ed.(CC) Sem-III of Panjab University, Chandigarh started this semester online from 24th November to 24th December, 2020. With the unexpected COVID-19 pandemic, every institution took a step to close their doors to help promote social distancing leading to emergence of a new hybrid model of Education. However, the transition to online learning was challenge for everyone. Attending online classes for students was relaxed and comfort of women. The teachers involved students in discussions which lead to better learning outcomes. The teachers of our college tried every possible way to provide the notes and study material for completing B.Ed. course of students during the period of lockdown. Online learning platforms like Googlemeet, Zoom, Audio based discussions, Chat groups, online tutoring, document sharing etc. were used during this pandemic. About 69 students of PCP (personal contact programme) attended online classes, submitted assignments & sessional work of their respective subjects to their teachers. Teachers even conducted their online practicals for assessing them internally.

2. COVID-19 pandemic has led to the promotion of not only online teaching and learning but to the online examination and evaluation. To assess and evaluate students' achievements, Online House Examinations were conducted from 24th November - 3rd December, 2020. Students likely experienced new test formats as college adapted to online mode for examination. The question papers were sent to the students through Google platform by the teachers and they were supposed to write from their homes only. The students submitted their answer sheets on the Google class in the pdf format. The process of online Examination was scrutinized by the college Examination Committee.

3. On 8th December, 2020, the college organized a online poster making competition in the memory of Shri. Guru Teg Bahadur Ji. The students participated with the great enthusiasm and exhibited their talents with their art work. This competition was related to life, philosophy, teachings, and sacrifice of Sri Guru Teg Bahadur Ji. The best three posters were adjudged by Dr. Rajni Khunger and Ms. Amandeep Kaur.

Sr. No.	Roll No.	Name	Position
1	26	Ms. Varinda Goyal	1st
2	35	Ms. Yashmeen	2nd
3	66	Ms. Kuljeet Kaur	3rd

4. On 18th December, 2020, the college organized a Webinar on the theme "Career Counseling". The organizers of the Webinar were Dr. Rajni Khunger and Mr. Ajaydeep, Assistant Professors of the college. The Key Speakers of the webinar were Dr. Gurmeet Singh, Associate Professor, Malwa Central College of Education and Dr. Sarvjeet Kaur, Associate Professor, G.H.G College of Education for Women, Sidhwankhurd. All the students of B.Ed., M.Ed. and P.G. Diploma in Guidance and Counselling participated in the webinar. The objective of the event was to guide students to understand existing circumstance of the pandemic and prepare them for challenges in terms of career designing and job opportunities. Dr. Gurmeet Singh spoke on the topic 'Career Counselling' and also practical part of Paper Guidance and Counselling of B.Ed. (Sem.-IV) and also on sessional work. Dr. Gurmeet Singh gave detailed information of different types of careers to the students prevailing in the country so that students can opt. their vocation according to their choice. 3. The Covid-19 pandemic crisis is challenging the various organizations and businesses, operating around the world and the educational institutions are also equally affected. As a result, education has changed dramatically with the distinctive rise of e-learning. Online education has emerged as an alternative to ordinary face to face classes. The online PCP for B.Ed. (Sem-I) correspondence students were planned from 1st February to 28th February, 2021 through Google Meet platform.
4. Dev Dharam was propounded by Bhagwan Dev Atma Ji. He laid stress on living life with peace and understanding in relations. Bhagwan Dev Atma ji has given importance to 16 relations and out of these 16 Relation, Parent and Children relation is the most precious. This year, we were fortunate enough that all the Educational Institution of Dev Samaj, Ferozepur has chosen our college as a venue for the joint celebration of Maat Pita Santaan Diwas on 3rd February, 2021. Description of the Faculty Development Programme: Digital technologies are an integral part of our society today and the development of information and communication technologies is one of the biggest revolutions in the field of human communication and information management. Information and communication technologies affect all aspects of society, as well as teaching, learning and research offering the potential for innovation and better and greater development of the skills needed for virtual classroom interactions. In today's education system, we have students who were born in the 21st century and with unlimited access to information, who use digital technologies daily, and who no longer want to passively listen and memorize information served. They expect to leave the education system with the knowledge and skills that they need to be employable, to have the capability to be lifelong learners, and to actively participate in and contribute to society. Faced with an overnight change in how education is delivered, students and teachers have had to adapt to a new situation, learning new technologies, ways of teaching and learning, time management, communication, and collaboration. Because of all the 21st Century

Dated: 28 /04/2021

Meeting of IQAC Members is conducted to discuss plans for various activities to be organized in the month of May and June,2021. The meeting was attended by Principal, Dr. Rajwinder Kaur, Dr. Gagandeep Kaur (Coordinator), Dr. Parmvir Singh (Co-coordinator) and Members of IQAC; Dr. Rajni Khunger, Dr. Harsangeet Kaur, Mr. Ajaydeep, Ms. Sunaina to discuss the following agenda:

Agenda:

1. Two Days Workshop on Lesson Planning and Effective Teaching Skills
2. Final Examination
3. One Day International Workshop on Integration of Problem Solving and Experiential Learning in Mathematics Teaching
4. Awareness Lecture on Benefits of Yoga
5. Online Intercollege PowerPoint Presentation Competition On The Eve Of World Environment Day
6. Online Extension Lecture on the theme "Awareness Regarding Grievance Redressal Provisions in Educational Institutions"
7. Two Days Online Workshop on "Ghar Ghar Me Yog"
8. Extension Lecture on "Career Planning and Career Development"
9. Online National Art Competition

Plan of Action:

1. Considering the importance of effective lesson planning two days Workshop on lesson planning and effective teaching skills was organized on 10th -11th May,2021. The Resource Persons of this workshop were Dr. Saravjeet Kaur and Dr. Jagminder Kaur of GHG Harparkarash College of Education for Women, Sidhwan Khurd. College Principal Dr. Rajwinder Kaur welcomed the Resource Persons and presents the vote of gratitude for sparing their valuable time to enlighten the students and the audience. Dr. Sarvjeet Kaur told that a lesson plan is a potent tool in planning, strategizing, implementing and reflecting upon a lesson for the teacher, thereby maximizing learning for students. She expressed her views on the different skills involved in the lesson planning and how these skills play an important role in the framing of the lesson plan. Dr. Jagminder Kaur talked about the use of different audio-visual aids used in lesson planning. The workshop entailed hands on learning for teachers in creating a lesson plan for a topic. The individual components of the lesson plan and the different skills involved were explained in detail with the help of examples.
2. The semester system has been introduced by P.U. Chd. for B.Ed. and M.Ed. classes to improve the quality of education. At the end of each semester, exams are conducted to assess the real skills talents, and knowledge of the students. Examination is one of the major evaluation systems for the working and improvement of any institution. It provides

an opportunity to the students for continuous learning, assessment and feedback. At the end of each semester, exams are conducted by university in various institutions affiliated to the University. Final examinations of B.Ed. semester- 1 were conducted by Panjab University, Chandigarh from 11th May to 27th May, 2021 in an online mode (from own place).

3. Mathematics is one subject that generally gives nightmares to some students. To eradicate Math phobia and to make the subject more interesting by creating enabled and innovative teachers, Mathematics Club, of the college organized an International workshop on the theme "Integration of Problem Solving and Experiential Learning in Mathematics Teaching" on 22nd May, 2021. The Resource Person for the workshop was Dr. Jeyanthi Subramanian, an experienced educator practicing in Singapore under Experiential Maths Solutions (EMS). She got her Doctorate Degree in Education from the University of Hong Kong and had run workshops in various cities in India, Sri Lanka, and Hong Kong for Mathematics teachers and teacher trainees. College Principal, Dr. Rajwinder Kaur welcomed the resource person and dignitaries from various institutions. Mathematics Club President Divya Gaba hosted the virtual stage during the session. Dr. Jeyanthi quoted American educational reformer John Dewey to drive her point home. She said that Problem-solving skills can't be developed just by drilling, Mathematics can be learned better through exploration, during which the learners can get more opportunities to observe, examine, think, analyze and discuss. She asked the students to follow Mathematician George Polya's four-step process for problem-solving: Understand the problem, devise a plan (translate), carry out the plan (solve) and look back (check and interpret). She even elucidated how teachers can act as facilitators in experiential learning. In the end, the Mathematics club Incharge, Dr. Parmvir Singh presented a vote of thanks to the Resource Person for sparing her valuable time to present her views on the theme. He also presented gratitude to all the dignitaries for making the event a great success.
4. The NSS unit of the college organized various activities along with the NSS Programme officers Dr. Gagandeep Kaur and Dr. Parmvir Singh on 30th May, 2021. NSS volunteers distributed pamphlets to create awareness among people about yoga and the benefits of Yoga. They also interacted with the neighbor community to spread awareness about the COVID- 19 diseases and how yoga plays an important role to boost immunity and helps to fight coronavirus. Dr. Gagandeep Kaur, Program Officer, told the volunteers that particularly in the situations like pandemic outbreak, it is crucial to interrupt the transmission chain of the virus by the practice of proper hand sanitizer. Dr. Parmvir Singh also presented his views on the benefits of yoga in the crucial period of the Corona Virus. During the Yoga practice session, Yoga asanas, Pranayama and meditation were practised by the faculty and NSS volunteers. This yoga session filled all the participants with good vibes and Positive energy.
5. The college organized Online Inter College Power Point Presentation Competition on World Environment day. This was organized by Environment Education Cell (Incharge – Ms. Arshdeep Kaur) under the able guidance of Principal, Dr. Rajwinder Kaur. The students from various colleges also participated in the Competition. Following students grabbed the prizes:

6. Grievance Redressal Cell in Colleges looks into general and academic complaints of the staff and students. It promptly tries to offer solutions for their redressal in periodical meetings of the committee. The staff and students are notified to drop their complaints about administration, accounts, finance, library, academics and hostel etc. in the suggestion boxes provided in our campus or send through email. On receipt of the grievances, the Grievance Redressal Cell scrutinizes analyses carefully and discuss with the concerned person to find out an amicable solution without affecting the interests of both the parties. Confidentiality is ensured in all cases. So, in order to provide awareness about the importance of Grievance Redressal in college an Extension Lecture was organized by the Incharge of Grievance Redressal Cell (Ms. Sunaina) on the theme "Awareness Regarding Grievance Redressal provisions in Educational Institutions" on 17th June, 2021. The Resource Person of the day was Dr. Sandeep Kataria, Principal, Saint Sahara College of Education, Sri Muksar Sahib. He told the students about the structure and functioning of Grievance Redressal Committee at college, University and State level. Ms. Sunaina hosted the lecture.
7. Recognizing important role of Yoga, this year's commemoration of the International Day of Yoga focuses on "Yoga for well-being" - how the practice of Yoga can promote the holistic health of every individual. So in this connection Mr. Ajaydeep, Ms. Rajni and Dr. Harsangeet Kaur, Incharges of Youth Welfare Club organized Two Days Online Workshop on International Yoga Day on the theme "Ghar Ghar Me Yog" on 19th & 20th June, 2021 in collaboration with Yog Path Sansthan, Jalandhar and BST (Patanjali), Punjab, Yoga Association under the able guidance of Principal, Dr. Rajwinder Kaur. Yoga Association. The workshop was started with the Formal Address by the Principal, Dr. Rajwinder Kaur. The lectures given by both the Resource Persons were very lively. They told about the importance of yoga in our daily life and even practice various asans of yoga. All the students and Faculty of the college participated in the same. The sessions were very interactive and Resource Persons even resolved the queries of the participants. Online Workshop was hosted by Ms. Rajni and vote of thanks was presented by Dr. Harsangeet Kaur on the first day and Dr. Rajni Khunger on the second day.

8. Career Planning and Development may have taken a back seat to the many demands and emergencies facing organizations in the pandemic era. And that's understandable; in light of millions of layoffs and furloughs nationwide, companies' key goals remain staying in business and meeting payroll. It is said restocking career and professional development conversations is critical as the COVID-19 crisis continues. So in order to aware students about various strategies about career planning and development, Dr. Parmvir Singh, Ms. Rajni, Ms. Arshdeep Kaur; In charges of PG Diploma in Guidance and Counseling in Collaboration with Placement Cell of the college organized an Extension Lecture on the theme "Career Planning And Career Development "on 30th June, 2021 and the Resource Person for the Lecture was Dr.(Mrs.) Kuljeet Kaur, Assistant Professor in Education, USOL, Panjab University, Chandigarh. The lecture was started with the formal address by the Principal, Dr. Rajwinder Kaur. The lecture was very informative. She told about various decision-making strategies and career themes for career planning and its development. The lecture was hosted by Ms. Rajni and vote of thanks was presented by Dr. Parmvir Singh.
9. Art also called visual art, is an experience consciously created through an expression of skill or imagination. The term art encompasses diverse mediasuch as painting, sculpture, printmaking, drawing, decorative arts, photography, and installation. On 30th June, 2021 the Fine Arts Department of the college organized Online National Art Competitions. Activities involved in the Online National Art competition were Painting, Slogan Writing, Photography, Modern Art, Digital Art, and Interior Decoration. Students from various colleges participated in these competitions. This event was scrutinized by Ms. Amandeep Kaur and Dr. Harsangeet Kaur.

Along with that, students had also prepared a skit in context of noise and air pollution caused because of bursting of crackers.
19. SVEEP's primary goal is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. The ultimate objective is to motivate the voters to participate and cast their vote. Under the SVEEP Jagrukta Muhim, a speech on importance of Voter's Day was given by Divya, President Science Club. In her speech, she told the students that 25th January is the foundation day of the Election Commission of India (ECI) which came into existence in 1950. This day was first celebrated in 2011 to encourage young voters to take part in the electoral process. No doubt it is the day to celebrate the right to vote and also the Democracy of India. Election Commission's main objective is to increase the enrolment of voters, especially the eligible ones. Various competitions are also being organized under the SVEEP activities in the by-election constituencies. Street plays, folk songs, rangoli, mehndi competitions are also being organized by the district administration, Ferozepur.
20. Constitution Day also known as 'Samvidhan Divas', is celebrated in our country on 26th November every year to commemorate the adoption of the Constitution of India. swachhbharatswasthbharat...etc. The mission includes clean college, clean surroundings and play area, pure drinking water facilities and personal hygiene.

3. On 6th December, 2021, the college organized a cleanliness drive on the eve of 171st Birth Anniversary of Bhagwan Dev Atma Ji. The main purpose of this drive was to create awareness among the students regarding cleanliness and its benefits. Students of the college along with all the faculty members took part with a great zeal to clean every nook and corner of the college. The whole drive was quite inspiring and motivating. It also made the students aware about the dignity of labor.
4. On the eve of the 171st Birth Anniversary of Bhagwan Atma ji, Dr. Rajwinder Kaur, Principal along with the faculty members and students visited Govt. Primary School, Gobind Nagri, Ferozepur City on 6th Dec., 2021 for the distribution of woolen clothes to the Pre- Primary and Primary class students. The school Headmistress and the entire staff welcomed the Principal and other members. She also expressed her vote of thanks for the distribution of clothes to the needy students.
5. An attitude of gratitude brings great things Every year birth anniversary of Bhagwan Dev Atma is celebrated with great zeal and enthusiasm. This year on 171st birth anniversary of Bhagwan Dev Atma ji, a Bhajan gyansabha was organized. Teaching, non-teaching faculty and students of all the four Dev Samaj institutions of Ferozepur were present there. In the beginning, Dr. (Mrs.) Sunita Rangbula, Principal, Dev Samaj Model Sen. Sec. School enlightened all about the life and contributions of Bhagwan Dev Atma ji towards the society. The Students and faculty members of Dev Samaj College of Education, Dev Samaj College for Women, Dev Samaj Girls Sen Sec School and Dev Samaj Model High school, Ferozepur recited Bhajans (Hymns) on this occasion. Members of Local Management and Principals of all the four institutions were also present on the occasion.
6. According to the World Health Organization (WHO), India has the world's worst air quality. In 2020, even during the Covid crisis with national and state lockdowns, 36 cities out of 50 cities which had unhealthy levels of air quality were from India. The vehicular pollution arising from the increasing stock of private vehicles, especially internal combustion engines (ICE) has contributed significantly to deterioration of air quality in Indian cities. To address these issues the central ministry announced a goal to transition from new sales of ICE (Petrol & Diesel) vehicles to 100% plug-in electric vehicles (EV) by 2030. The government is also aiming to transform India into a global hub for electric vehicles manufacturing. So, in this regard college organized a

Day 1

(15th Dec., 2021)

Inauguration of the camp

The camp began with the inaugural function in the college campus. The programme began when Dr Rajwinder Kaur, Principal, accompanied by NSS Officers, Dr. Gagandeep Kaur and Dr. Parmvir Singh came forward for the Lamp Lighting Ceremony joined by all the staff members as well as Alumni Ms. Anjali and Ms. Megha (Working as Lecturer at Army School, Ferozepur Cantt). The theme of 2021 year's NSS Camp was "Swachh Bharat Abhiyan and The Jal Shakti Abhiyan". NSS Song: It was followed by singing of a song by Mr. Harpreet Singh and the NSS volunteers. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment. All NSS volunteers are expected to learn the theme song and sing the song during NSS programmes and celebrations.

• Later on, Ms. Megha, the alumna delivered a speech on "Wings to Fly". She emphasized that Women should have self-esteem, certainty, and the opportunity to pick their necessities and prerequisites, but many falls under the category of underserved and underprivileged. Further she told about some organisations which are working untiringly to be the catalyst to these women by providing them skill training in different verticals and making them self-sufficient so that they can sustain their family and look forward to a brighter future. She motivated everyone to soar higher and higher in terms of academics as well as their career. She was given the appreciation certificate from the institution side as the Best Volunteer of the batch 2019.

Principal

• Ms. Anjali shared her views on “The Experience of Previous NSS Camp-2019”. She shared her experience with everybody and motivated the current volunteers to participate with full zest and enthusiasm. She was also given the appreciation certificate from the institution side as the Best Volunteer of the batch 2019. Cultural Programme: The Hall had been set up in a grandeur arrangement for the cultural programme. Then the student volunteers presented the program gorgeously keeping in view the tie-up with various culture dance performances depicting Punjabi and Andhra Pradesh culture.

Day- 2

(16th Dec., 2021)

On the second day, the following events took place:

Tree plantation and cleanliness drive

Since the beginning, trees have furnished us with two of life's essentials, food and oxygen. As we evolved, they provided additional necessities such as shelter, medicine, and tools. Today, their value continues to increase and more benefits of trees are being discovered as their role expands to satisfy the needs created by our modern lifestyles. Subsequently, the NSS Programme Officer along with the honourable Principal, Dr. Rajwinder Kaur planted Trees in the college campus. They were accompanied by the 70 volunteers of the NSS Camp. The volunteers planted medicinal plants in the college premises. The gardener helped and taught the volunteers about planting. He also told the students that the Neem Tree also name as 'Azadirachta indica' (botanical name) is a tropical evergreen tree native to India and is also found in other southeast countries. Tree Plantation and Cleanliness of City Park: After the Plantation Drive, the Programme officers along with the volunteers headed towards the City Park in the Model Town, Ferozepur for pursuing the theme “Swachh Bharat Abhiyan”. Here the volunteers came forward to clean the park and disposed of the garbage in the dustbins. Later on, they did the tree plantation at Model Town. Volunteers believed that tree plantation is amongst one of the noblest works as they are the reason that we are alive today.

Rally on Jal Shakti Abhiyaan: An awareness rally on 'Jal Shakti Abhiyan' was flagged off in the Model Town by both Programme Officers and NSS Volunteers. During the rally, participants raised slogans and carried placards with messages about water conservation. 70 volunteers of NSS started their march from the City Park which passed through the Mall Road before culminating at the same venue.

Awareness Camp” was organized in collaboration with the Institute of Dental Sciences & Research, Genesis, Ferozepur. All the volunteers as well as the village residents got their dental health check-up by the team of Genesis. Extension Lecture: Later on, the team Leader of the Genesis Institute gave an extension lecture on Oral Hygiene. She told that brushing our teeth twice daily reduces the risk of health problems resulting from a lack of good dental hygiene. As such, brushing prevents issues that inevitably lead to costly repair work on teeth and gums. Daily brushing prevents plaque build-up (at least on the surface), kills bacteria, and keeps our teeth vibrant. Everyone paid heed to the information been given.

NukkadNatak: After this, a Nukkad-Natak was presented by the volunteers on the theme “PAANI BANDI”. This natak gave the message of saving water and helped in creating awareness among the villagers about importance of water. The message was successfully delivered to the villagers and they even applauded the efforts. Rally: Later on, a rally was being held in the village.

Day 5

(19th Dec., 2022)

Extension Lecture: An Extension Lecture was organized by the NSS Unit of the College on PCOD and STI. The Resource Person was Dr. Monika Bedi, Medical Counsellor in Civil Hospital, Ferozepur City. 100 students along with 4 teachers attended the lecture. She told the students that Polycystic Ovarian Syndrome or disease (PCOS/PCOD) is a hormonal disorder that affects women in their reproductive age. PCOS is a common health condition that affects teen and young women, it is seen in 1 out of 10 women in their childbearing age. The reproductive system of women is controlled by the complex interplay of primarily five reproductive hormones namely estrogen, gonadotropin-releasing hormone, follicle stimulating hormone, progesterone and luteinizing hormone. An imbalance within these hormones leads to a hormonal disorder called the Polycystic Ovary Syndrome (PCOS) or Polycystic Ovarian Disease (PCOD) among women of reproductive age. She also created awareness among the students regarding various STI's. Students found it to be a very informative and awareness creating session. Post the session, Dr. Gagandeep Kaur thanked the Resource Person and presented a token of love to her on behalf of the college

Day 6

(20th Dec., 2021)

Visit to Bazidpur Sahib To inculcate spiritual values and to develop volunteer attitude among the students, the NSS unit of the college organised visit to Bazidpur Sahib on 20th Dec.,2021. Shri Guru Gobind Singh Ji came here after battle of Sri Muktsar Sahib. A Jatt farmer had

borrowed some money from Brahmin on the guarantee of Guru Sahib. But he had not returned the money and had passed away. In his second life, he became a Tittar (Bird) and Brahmin became Baaz (Hawk Bird). When Guru Sahib came here, he got Tittar bird killed from Baaz and got himself free from guarantee he had given in that case. As we all know, religion is an uncut part of our life. So, in this view, NSS Officers organized a trip to Bazidpur Sahib. Gurudwara Shri Jaamani Sahib is situated in Village Bazidpur, Distt Ferozepur just 8 km from Ferozepur City. 70 students along with 6 teachers visited the Gurudwara Sahib. Here the volunteers did cleanliness at the Gurudwara Sahib. At the end, everybody enjoyed the Langar over there.

Day 7

(21st Dec., 2021)

On 7th Day, the last day of the camp, a valedictory session took place. Valedictory Session: The valedictory session commenced with the presentation of detailed report of 7 days activities of NSS camp by the NSS Officer, Dr. Parmvir Singh. NSS Song: The NSS Volunteers sang a song in the Valedictory session. Andhra Pradesh Cultural Performance: Later on, a colourful performance on Andhra Pradesh Culture was performed by a NSS Volunteer, Ms. Mehak. Poem Recitation: 2 Volunteers, Romanpreet & Kamalpreet of NSS Camp then presented a poem on Swachh Bharat Abhiyaan. Dance Performance & Poem: After this, a NSS volunteer presented poem dedicated to the "Chaar Sahibzaade". Valedictory Speech: At the end, the college Principal, Dr. Rajwinder Kaur appreciated the sense of dedication with which the students carried out the camp activities under the guidance of the program officers, Dr. Gagandeep Kaur and Dr. Parmvir Singh. She also motivated the students to observe three Ds of NSS which are 'Duty, Discipline and Dedication. She expressed her thanks to the Programme Officers, faculty and students for making the camp a great success.

9. Environmentalists all over the world are raising concerns over the global warming and impact of motor vehicles in emission of poisonous gases. In order to raise environmental sensitivity and awareness among students about the vehicular pollution and to create awareness about global warming caused by fossil fuel burn and its impact on Indian Economy, college observed "No Vehicle Day" on 16th Dec., 2022. The day was celebrated in a unique way by spreading awareness on reducing the carbon footprint, promote energy conservation, and reduce pollution generated by automobiles. All the staff members and students decided to travel on foot, via bicycle,
