1.	Environment/Green Policy

GREEN CAMPUS POLICY

A Green Campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Life stems from our Environment: therefore, its conservation is an integral aspect of education. Managing environmental resources through optimal use is essential for sustainable development, thus the College's Environment Policy is designed to synchronize with the United Nation's Sustainable Development Goals 2030 acknowledging that protection of environment is part of the Institution's social responsibility for the survival of humanity. This policy outlines the Institution's approach to environment protection which will be ensured through an annual environment audit, a process that comprises of a systematic, documented, periodic and objective evaluation of how well environmental organization, management and equipment are performing with the aim of safeguarding the environment and natural resources" in the functioning of the Institution and dissemination of Knowledge Besides initiatives for Environment Protection, the Environment Policy includes Energy Management, Waste Management and Water Management which are dealt with separately taking into account the importance of each, and policies and procedures have been formulated for these topics

Policy Statement

Dev Samaj College of Education for Women, Ferozpur City endeavors to protect the environment by maintaining a green cover, ecofriendly campus, and creating an institutional awareness among stakeholders to make the earth a peaceful, comfortable and prosperous habitat. The Mission is to create environmental consciousness among the society and actively involve in the activities to protect the planet earth from the unscrupulous human invasions for a sustainable, pollution-free and healthy life ahead

College Environmental Aims and Objectives:

- The college is striving to develop its institution on a self-sustainable basis in the areas of power, water and cleanliness.
- The faculty, staff and students have to contribute collectively to develop an eco-friendly sustainable campus and disseminate the concept of eco-friendly culture to the nearby community and wherever possible.
- Awareness creations about environmental issues among students and employees including climate change. Measure and reduce environmental emissions/ footprints.
- Perform Green Audit
- To sensitize the students and the staff to minimize the use of polluting products and use environment-friendly products and services.

- To instill the importance of cleanliness for a healthy life.
- To Create awareness about environmental issues by organizing Events, Rallies, Awareness Campaigns, Cleanliness Drives, Seminars, Workshops, presentations, Tree Plantation Drives, Wildlife Photography Competitions, Rangoli Competitions, Essay Competitions, Bird Watching Programs, Excursions, Study Tours, Guest Lectures, Talks, etc.
- To make students and staff aware about raising voice against the hazardous practices destroying Nature and promote environment friendly practices among the society.

Implementation

To ensure smooth operations and management of waste, all the rooms in the college are provided with bins for disposal of dry waste. Wet waste is disposed in bins located in the washrooms. Bins are also located in the open areas within the campus. Each day facilities staff empty all the bins, separate the waste according to reusable resources (plastic wastes pen/pencils etc., papers/assignment books, e-Waste). The waste thus separated is collected and stacked in dedicated places. Waste is burnt, composted and disposed at regular intervals. Environment protection and awareness campaigns are held in the college as initiatives of the Science club.

Activities Conducive to Sustainability and Environmental Protection Implemented in College

The Institution is committed to managing its campus in accordance with its Clean and Green Campus Policy by establishing the following infrastructure and carrying out the following activities:

- World Ozone Day
- No plastic Day
- Celebration of Green Diwali
- Maintaining Herbal Garden
- Rally on Environment Conservation & Sustainability
- World Nature Conservation Day
- National Service scheme (NSS) Camp
- Rally on Blood Donation, Stop Drugs and Save Environment on World Rotaract Day
- Tree Plantation on World Earth Day
- Exhibition on Vanaspati Jagat
- Use of LED Bulbs/Tubes and Power Efficient Equipments
- Display Boards to Promote Environmental Sensibility on College Campus
- The Green, Environmental and Energy Audit
- Landscaping with Trees and Plants
- Observance of Days to Protect and Nurture Environment

The tree-plantation drives are undertaken by the NSS Unit of the college and also by the Science Club and Environment Education cell on regular basis. The Solid waste generated in the campus is segregated as bio degradable and non-degradable and handed over to Amravati Municipal Corporation as a part of Swachh Bharat Abhiyan. The students and faculty have also involved in the maintenance and repairs of the instruments and experimental kits, which led to increase their life and the optimum uses. This have not only become a step towards the E-waste management but also cultivated innovative ideas among the students and the faculty. The students have also gained many skills through these activities.

The organization of various events like Rallies, Awareness Campaigns, Cleanliness Drives, Seminars, Conferences, Workshops, presentations, Tree Plantation Drives, Wildlife Photography Competitions, Rangoli Competitions, Essay Competitions, Bird Watching Programs, Excursions, Study Tours, Guest Lectures, Talks, etc. on the occasion of various days like- 'International Day for the Preservation of the Ozone Layer', 'World Environment Day', 'Nai Talim Day, Workshop on Sustainable Practices and Mission Life, Environment Sustainability Day, Activities regarding Energy conservation, Rallies on sustainability Practices etc. ensures to create awareness among young students and public about various environment related problems and conservation of Nature and natural resources in the surrounding area and educating on how to live a Eco friendly life.

Procedure / Organization Structure

Principal, Faculty, Students, Office and Facilities Staff are oriented on the Environmental Policy and instructed on how waste is to be disposed and make optimal use of resources.

The Green, Environmental and Energy Audit

The Green, Environmental and Energy Audit of the college is done by Green Mentors. The college is titled with the Platinum Ranking in the Green Audit. This initiative is done by the Internal Quality Assurance Cell of the Institution.
