“

मैं इस पृथ्वी पर स्वर्ग चाहता हूँ। मैं इस पृथ्वी में वह दीन और धर्म लाना चाहता हूँ, कि जो इस दुनियाँ में सब प्रकार के पापों और बुराईयों का नाश करता हो, जो इसी दुनियाँ में ऐसे सच्चे और भरोसे के योग्य सम्बन्धी उत्पन्न करता हो, कि जिनके उत्पन्न होने से मनुष्य जीवन सब प्रकार से मीठा ओर सुखप्रद बन सकता हो। जो इसी जगत् में मनुष्य आत्माओं को सत्य मोक्ष देता हो, यदि इस प्रकार के उच्च जीवनधारी आत्मा विकशित हों और उनके उच्च जीवन के द्वारा इस प्रकार का ख़मार उत्पन्न हो, तो उससे जहां मेरा मिशन पूरा होगा, वहां मेरा मिशन दुनियाँ में अपनी विशेषता भी प्रमाणित करेगा।

## From the Chairman's Desk

**Shriman Nirmal Singh Ji Dhillon**  
Chairman, DSCEW  
Secretary, Dev Samaj

The arena of higher education in India possesses a valuable heritage with historic institutions like Dev Samaj who have stood the test of time for more than a century with a priceless inheritance of 131 years. Dev Samaj College of Education for Women, named after Bhagwan Dev Atma Ji, was established to propagate the cherished ideals of service, leadership, social responsibility, and academic pursuits for women. This visionary culture allows and emphasizes our students not only to adapt to the present day challenges but, to also take on individual responsibilities to the society and our nation at large.

I always feel that education is the foundation on which emancipated societies are built, where all citizens, men or women get equal opportunities to grow, prosper, explore their fullest potential and realize their dreams. Present day Education is marked by intellect, specialized knowledge and cut-throat competition. Alongwith specialized knowledge we focus on moral values and scientific temper.

With the world now in the grip of Covid-19 situation, we all find ourselves in the midst of time that may make some of us a little apprehensive about the future of education and teaching- learning process. Let me take this opportunity

to assure you, dear students and parents, our institution is committed to provide all possible access to facilities and support students in novel ways. To ensure continuity of teaching – learning process, online classes, online competitions and series of webinars were organized during the lockdown period.

On the occasion of releasing the Prospectus, I heartily congratulate the able, strong minded and progressive advisory committee of DSCEW that has spared no effort to bring about change in such a transformational manner that Dev Samaj College Education for Women has been reaccredited by as 'A' Grade by NAAC. I also congratulate the faculty, students, and parents for having done us proud. I wish that one day, despite so many constraints, DSCEW would rise to the highest pinnacle of glory and excellence in the field of education.

I would like to appreciate the role of our academic and administrative staff, who had been readily available to reach out to our students in giving their support and guidance.

Lastly, I extend my warm wishes to the Principal, Staff and Students to continue the journey on the road of excellence.

**NIRMAL SINGH DHILLON**  
Chairman Managing Committee  
Dev Samaj College of Education

## *From the Principal's Desk*

Be it academics, sports, co-curricular activities or community service, our students have won many accolades year after year. Our highly accomplished faculty, with expertise in teaching and research, are ever eager to provide strong mentoring to our students.

I truly believe that quality education is an enabling process of growth and self discovery. At the same time, we make all efforts to remain sensitive to the needs of the

marginalized. While success of each student is an accomplishment for us and we also prepare them to take stumbling blocks they face, as a learning ground for a more confident and a sure-footed future.

In this COVID 19 pandemic we find ourselves in toughest points and try to cope with changing situation. As, we adapt to the changing environment, I believe that we constantly need to re-invent and re-design pedagogical tools and evolve our ways of engaging with students, without in any way compromising the quality of education, to ensure the maximum benefit to our key stakeholders –our students, while keeping their safety and health paramount.

We proactively deal with the situation and during lockdown period, organized several National and International Webinars including ones that acquainted faculty with practical tips for online teaching. These web interactions also provided an opportunity to connect online with academicians and practitioners from diverse fields, thus ensuring that learning continues even during these unprecedented times. This is a time that we can emerge stronger and be more resilient, by making responsible and reflective choices both for ourselves, and the communities we serve, while remaining safe.

I welcome you all to this great institution of higher education and ensure you of a nurturing and caring environment that we will see all of you blossom into empowered and sensitive human beings. And, I am happy that you all will be part of this exciting and stimulating journey of learning.

## DEV SAMAJ COLLEGE OF EDUCATION FOR WOMEN FERROZEPUR CITY NAAC RE-ACCREDITED 'A' GRADE COLLEGE

# ABOUT DEV SAMAJ

The Dev Samaj (a unique religious movement) was founded in 1887 by the Most Worshipful Bhagwan Dev Atma. The fundamental objective of Dev Samaj is to make us more and more capable of promoting the cause of unique life mission of Bhagwan Dev Atma i.e. propagation of Truth, Beauty and Goodness in thought; speech and action among all classes of people, irrespective of any consideration of caste, creed, colour and country.

The Dev Samaj endeavours to eradicate from the hearts of the people, as far as possible, such egoistic forces as vanity, hatred, self-will and selfishness and to evolve such altruistic feelings as compassion, gratitude, reverence etc. The Highest Evolution of mankind is the summum bonum of the Dev Dharma. Dev Samaj believes in the Science of moral and spiritual laws of soul. It employs the scientific method and accepts the scientific pattern of thought that Nature is self-sufficient in its working, and therefore we are not to go 'OUT OF NATURE' to understand any happening within it.

The founder of Dev Samaj, Bhagwan Dev Atma ji exhorts us to cultivate harmonious relationship with the four kingdoms, the Kingdom of the Inanimate, the Kingdom of Vegetation, the Kingdom of Animals and the Kingdom of Human Beings; through feelings of respect, appreciation and gratitude for the services rendered by all these four kingdoms. Under the strong Psychic influence of its Most Worshipful Founder, Dev Samaj took positive steps to build a social structure where women could enjoy respectable position, free from the gender bias. Dev Samaj organisation gives equal rights and status to women with men while adopting many social reforms in this regard like; recognition of girl child, monogamy, widow-remarriage, dowryless marriages etc.

The Dev Samaj considers women education essential for their social, moral and spiritual upliftment. The

Illustrious Founder set a golden example in his childhood when feeling strongly that education was as good for girls as for boys, he started teaching his two women relatives in the sixties of 19th century. At that time women education was considered superstitious breed involving the divine wrath. Education alone could open opportunity of enlightenment and independence for women. He wanted to regenerate mankind and transform society through women education.

Bhagwan Dev Atma was the pioneer reformer who opened a High School for Girls at Ferozepur in 1901 .The Dev Samaj Managing Council continued the educational work and at present the Dev Samaj Society is running about 26 educational institutions in the country. Prominent among them are located at Ferozepur, Moga, Ambala, Delhi and Chandigarh. These educational institutions hold a significant place on the educational map of Northern India. We are extremely grateful to the Dev Samaj Managing Council and the Managing Committee for its generosity, valuable guidance and inspiration in discharging our responsibilities despite heavy odds and difficulties. It is hoped that with an inbuilt momentum, our institutions will continue to march onward to a better tomorrow in the service of the Nation.
