

## **Best Practices**

Describe at least two institutional best practices

### **PRACTICE 1: “Go Green”**

#### **Objectives:**

- General sanitation, cleanliness and comfortable environment
- Developing courteous, reliable and congenial atmosphere.
- Adequate support of motivated staff.

**The context:** in order to build a guide for planning a green cleaning all the faculty members and students organized many drives/activities with full zeal.

#### **The practices:-**

- Inter Class Bulletin Board Decoration Competition on theme “Go Green”: 1st of September, 2018
- Tree Plantation: 5th of December, 2018
- Poster Making Competition: 14th of December, 2018
- National Science Day: 28th of February, 2019

### **PRACTICE II**

#### **Title: “Healthy Youth (Physically and Mentally)”**

#### **Objectives:**

- Human Excellence through Life Skills Education
- Emphasis on universal values
- Put focus on Social issues like: Drug De-Addiction and Female foeticide.

**The Context:** The youth is the future of the nation so keeping this view at priority Principal Madam and faculty members carry out many activities related to the Physical and Mental Health.

#### **The practices:-**

- Blood Donation Camp: 8th of September 2018
- National Seminar on Life Skills Education for Human Excellence: 6th of October., 2018
- Extension Lecture on Drug De-Addiction: 8th of October, 2018
